9. [REDACTED] GLC) Met with Guy McConnell, Senate Appropriations Committee staff, and left with him General Walter's letter of 3 August 1973 pertaining to a withdrawal from the Reserve.

I also briefed McConnell on several recent developments including submarine construction in the Soviet Union, the status of Soviet grain crop, Soviet testing of advanced model ICBMs, and Soviet silo construction. I also left with McConnell for the information of the Committee staff two copies of the OSR publication "Problems in Comparing US and Soviet Warships by Designation."

In response to his earlier request I left McConnell an additional copy of the "Guide to CIA Statutes and Law."

10. [REDACTED] GLC) Left with Jack Ticer, Senate Armed Services Committee staff, two copies of the publication "Problems in Comparing US and Soviet Warships by Designation" for the use of the Committee staff and an additional copy of the "Guide to CIA Statutes and Law" in response to Ticer's request.

25X1

I also obtained from Ticer the GPO jacket number (99-275) for Colby's confirmation hearings which have not yet been sent to GPO for final printing. I then advised [REDACTED] Acquisitions, of the jacket number and asked her to "ride the jacket" for 700 copies of this document.

12. [REDACTED] - GLC) Jim Guirard, on the staff of Senator Russell Long (D., La.), called from Berwick, Louisiana, regarding his earlier conversation with John Maury about [REDACTED] has been invited by Castro to visit Cuba and has asked if he could talk with someone from the Agency about the matter.) Following up on that earlier conversation Guirard said [REDACTED] would be in Washington next Monday and would like to meet with the Agency representative at that time. In the absence of [REDACTED] I discussed this with [REDACTED] and we have arranged for the two of them to be in touch on Monday.
